5. [ ] Met with Mr. Bun Bray, House Post Office and Civil Service Subcommittee on Manpower staff. We reviewed some of the legislative load of the Subcommittee and Mr. Bray advised that there are several measures, each of which are somewhat interrelated, that will be coming up after the first of the year, among those are S.1035 (the Ervin bill) and Employee Management Relations bill. Mr. Bray thought that Representative Henderson, Chairman of the Subcommittee, might well enjoy visiting the Agency and that probably a morning schedule that would get him back to the Hill not later than 1:00 would best suit the Chairman.

Mr. Woodruff suggested that if the briefing is held for Senators Mundt and Young, he felt it would be most appropriate for Messrs. Darden and Woodruff to sit in. I said I would do what I could on this.
